All products and packaging are not made with natural rubber latex.

Catalog/Part Number Product Description

RYM – 5307HPCL **7” High Pressure Macrobore Catheter Extension Set***
(1) Pre-attached InVision-Plus® Clear
 *High Pressure Catheter Extension Set rated
 10mL/sec w/max pressure of 325 psi
 Slide clamp, universal rotating male-luer lock
 Note: InVision-Plus® is not bonded to set
 APV = 0.42mL

RYM – 5307HPU **7” High Pressure Macrobore Catheter Extension Set***
(1) Pre-attached InVision-Plus®
 *High Pressure Catheter Extension Set rated
 10mL/sec w/max pressure of 325 psi
 Slide clamp, universal rotating male-luer lock
 Note: InVision-Plus® is not bonded to set
 APV = 0.42mL

RYM – 5315 **15” Macrobore Catheter Extension Set**
(1) Pre-attached InVision-Plus®
 Slide clamp, fixed male-luer lock
 Note: InVision-Plus® is not bonded to set
 APV = 0.63mL

RYM – 5407 **7” Standardbore Catheter Extension Set**
(1) Pre-attached InVision-Plus®
 Slide clamp, fixed male-luer lock
 Note: InVision-Plus® is not bonded to set
 APV = 1.32mL

RYM – 5407CL **7” Standardbore Catheter Extension Set**
(1) Pre-attached InVision-Plus® Clear
 Slide clamp, fixed male-luer lock
 Note: InVision-Plus® is not bonded to set
 APV = 1.32mL

RYM – 5412Y **12” Standardbore IV Extension Set**
(1) InVision-Plus® Clear Y-Injection Site
 Slide clamp, fixed male-luer lock
 APV = 2.26mL

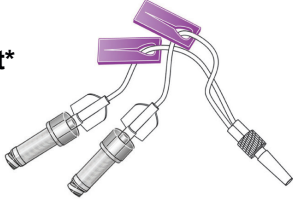

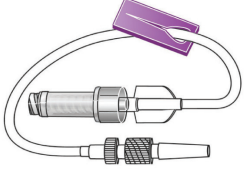

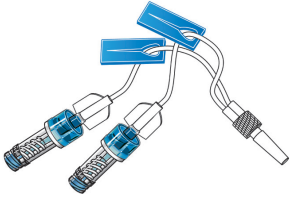

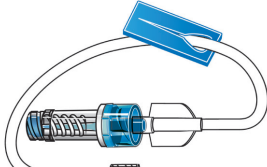

Packaging: 100 Units per Box - 4 Boxes per Case - TOTAL: 400 UNITS PER CASE

Catheter Extension Sets

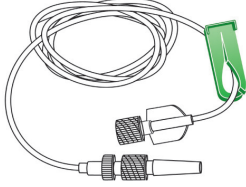

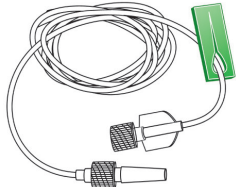

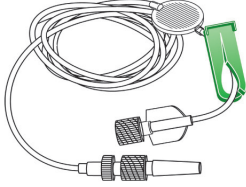

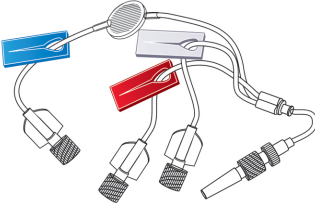

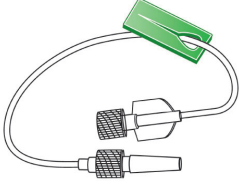

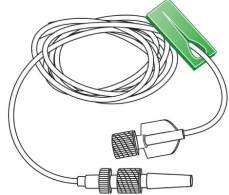

With InVision-Plus® with Neutral Advantage Technology Intraluminal Protection System

**Double 4-Way Stopcock Bonded
InVision-Plus** with 28" Standard Bore Tubing
And Y-Injection Site with Check Valve
APV = 5.75mL

Packaging: 50 Units per Box - 4 Boxes per Case - TOTAL: 200 UNITS PER CASE

ORDERS AND CUSTOMER SERVICE

For Ordering and Customer Service:

Phone: (512) 301-1949
Fax: (512) 301-7338
E-mail: customerservice@rymedtech.com

Mail: RyMed Technologies, LLC.
6000 W. Wm. Cannon Drive
Building B, Suite 300
Austin, TX 78749

The minimum order for any product is full case quantities. All orders should be directed to RyMed Technologies LLC Customer Service Department. Customer service hours are 8:00am to 5:00pm, Central Time, Monday through Friday.

SHIPPING:

Products are shipped domestically via Truck Carrier, Federal Express, or United Parcel Service from Austin, TX or Phoenix, AZ (freight cost borne by RyMed). Express service and/or Drop Shipments are available at the request of the customer (freight cost borne by customer).

PAYMENT TERMS:

All orders will be billed at current prices at the time of the shipment. Terms are net 30 days for domestic accounts. A service charge of 1 1/2 % per month will be charged to overdue accounts. All prices are in U.S. dollars, and are subject to tax, if any. All prices are subject to change without prior notice. Outside the United States, terms are prepayment by wired funds or letter of credit on sight.

RETURN GOODS POLICY:

Requests for returns must be addressed to the Customer Service Department. If the reason for return is approved, RyMed Technologies will assign a Return Goods Authorization Number (RGA#). RyMed Technologies will not accept any return without a RGA #. The RGA# must appear on the package returned to RyMed Technologies.

RETURN GOODS ALLOWANCE POLICY:

- A. Products shipped in error: Full credit, Freight Collect.
- B. Products less than six months old: 75% credit, Dealer pays freight.
- C. Product more than six months old: No credit.
- D. Obsolete or discontinued products (not listed in current price list) - No credit.
- E. Unsalable merchandise returned will be destroyed - No credit.

OUR MISSION

RyMed is committed to improving patient outcomes aimed at *intraluminal catheter-related bloodstream infection* prevention and *intraluminal thrombotic catheter occlusion* reduction by providing innovative product solutions possessing bona fide fail-safe engineering design technologies.

RyMed's revolutionary products empower healthcare providers to successfully apply proven infection control, catheter care and maintenance practices which support the national goal to deliver healthcare that is safe, cost-effective, and easily adopted.
